(All township meetings must continue to be held completely virtually until Dec. 20, following an [extension yesterday](#), Dec. 7, by the Michigan Department of Health and Human Services (MDHHS) of its “pause” in certain indoor and group activities, in an attempt to curb the spread of COVID-19 throughout the state.

This requirement to meet virtually includes meetings for the upcoming December board of review. The Open Meetings Act, as amended by Public Act 228 of 2020, allows virtual meetings to be held for or any reason through Dec. 31, 2020. Legislation is being considered that would allow virtual meetings for any reason until the end of March. Note that most virtual meeting services, such as Zoom or GoToMeetings, include landline phone call-in.)
